

*Pioneer Electric Cooperative, Inc.
Greenville, Alabama
Engineering Intern
Location: Greenville, Alabama
April 18, 2018*

Position Summary:

Under general direction, this position works with the members of the Engineering and Operations Department on various projects and day to day tasks, both in the field and in the office. Assists with staking new lines and services, installation of AMI equipment, line inspection, mapping and other duties as assigned. The intern is expected to attend safety meetings, learn and follow safety rules.

Physical Requirements:

Ability to see well enough to read text material and tables. Ability to hear well enough to comprehend oral instructions in person and over the telephone. Ability to write, draw, operate a keyboard, and manipulate equipment. Ability to lift 40 pounds. Bodily movement to move about an office, rough terrain, and/or construction sites. When necessary, the intern will be required to wear personal protective equipment that is not limited to but includes steel toe boots, hard hat, safety glasses, hearing protection and FR clothing.

Credentials and Experience:

Must be enrolled and in good standing in an accredited four year college pursuing a Bachelors Degree in Electrical Engineering and have a GPA of 2.0 or greater. The position requires a valid state driver's license and the ability to drive a cooperative vehicle.

Interpersonal Skills:

Must be a team player, with high integrity, good personal habits, and regular work attendance. Must be courteous and friendly, able to work well with diverse groups of people and gain and maintain respect of others, both inside and outside the Cooperative.

Special Requirements:

Be willing to comply with Pioneer Electric Cooperative policies and work rules. Willing to work overtime, holidays, and weekends in emergency situations to achieve goals.

Please apply online at www.joblink.alabama.gov. You may direct any questions to the Greenville Career Center, 117 West Commerce Street, Greenville, AL or call 334-382-3128.
